**Petition for Extension of Time
Response to Notification of Missing Requirements**

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants respectfully petition the Office for a one-month extension of time to respond to a Notification of Missing Requirements Under 35 U.S.C. 371 mailed June 24, 2005. The Notification indicates that Applicants must file an oath or declaration of the inventors in compliance with 37 CFR 1.497(a) and (b), identifying the application by the international application number and international filing date. A previously filed oath or declaration was found not in compliance because it was not executed in accordance with either 37 CFR 1.66 or 37 CFR 1.68. A Late Oath or Declaration Surcharge of One Hundred Thirty US Dollars (\$130) is also required. A copy of the Notification must be returned with the response.

Applicants submit herewith an executed Declaration and Power of Attorney to comply with the Notification. Also submitted herewith is a copy of the Notification of Missing Requirements. Last, the Office is authorized to charge Deposit Account No. 23-0785 for the \$130 Late Oath or Declaration Surcharge.

12/15/2005 SAHNE01 00000001 230785 10512033

01 FC:1617
02 FC:1251

The required oath or declaration and surcharge were to be submitted within two months from the date of the Notification. However, the period for response may be extended by filing a petition and fee for extension of time under the provisions of 37 CFR 1.136(a). Since the original two-month period for response ended August 24, a one-month extension of time is required. Accordingly, Applicants petition for the one-month extension. Finally, the Office is authorized to charge Deposit Account No. 23-0785 for the \$120 fee specified by 37 CFR 1.17(a)(1) for processing Applicants' petition.

Applicants submit their response to the Notification is complete and no other fees are required. Nevertheless, the Office is hereby authorized to charge to Deposit Account No. 23-0785 for any additional fees under that may be required by this paper.

Respectfully submitted,

Date:

Sept. 15, 2005
